“ Words can in no way express our heart felt condolences, but hopefully, they can be a bit of encouragement in these, your moments of grief. We thank the Lord for the brief opportunities that we had in knowing Roy and the Nuckols family. May our precious Heavenly Father minister His marvellous grace to you in your time of need and we can rejoice in the fact that, one day, we'll meet again in those wonderful mansions above. “ Dear Family,
We met Roy & Michelle at church and our friendship just clicked. Roy and my late husband, (Wilson) was close friends. Michelle and her two girls are very special to me. Mr Roy Sr, you were a very nice man and Wilson really enjoyed when you and Roy Jr came by to see us. Roy Jr. will be missed. May God be with your family during this difficult time.

“ You were an awesome cousin. I still can't believe this is real. My last memory of you is when you were kind enough to open your home to me and family so I could have my gender reveal party. 💕 We needed private property since we were using tannerite with colored powder to bring in the celebration with a big BANG using Dad's SKS and you were more than welcoming to let us do it there and be apart of the celebration. I couldn't have made that possible without your help. You were always fun to hang out with. Ill miss you. Love you cuz. Rest easy. 🙏 Give Grandma, Dad and the rest of the family a big hug for me ❤️
