“ My condolences to the family, we have lost a great man. We can only be comforted that he is in a better place now. Roy was my mentor, as a young man I learned all the values of life that I still use to this day. He helped shape me into the man I have become. Over the years I have shared his wisdom with many young people hoping to make a difference as he had in my life I am very proud of that and will be forever grateful.
