“ Dear Wade, Ranay, Betty, and Burgess, I just read the obituary today Monday and felt so badly that you have all lost your loved one so--so suddenly at such a young age! I kiddingly called her "Susy Ruth", a couple of times until I got used to her having the two names. She just laughed and really did understand my dilemma. As I worked occasionally with her at Ace over a period of nine years, I must say she always had a very nice way about her helpfulness with clients and me. One day I was at the computer and was green at it then, and she showed me a little short-cut and it helped me to apply that type of thing years later, and I would think of her (and my ignorance). She was a very fast word processor and hard worker. I never saw her grow grass under her feet as she worked hard. She smiled and enjoyed her lifestyle. Having lost my mother at a very young age (she was 39 and I was 17), I realized loving one another with God's grace and living a life pleasing to God is our best hope in the eternal world of the hereafter. This teaches us we should all remember to live each day as though it could be our last, and please our Savior who died for us all so that we could follow His commandments in loving our neighbor as ourselves. Let us do it to our best with our God-given health and strength. May God's grace be received deeply in all yours and mine in this grievous time of loss. May you be blessed in knowing others really care. Sincerely your friend, Gordon Allen

“ Dear Wade and Family: I have many good memories of Susy. One that makes me smile is the time that we were at Lake Louisa. Dawn, Jeff and I went to your house there and ask Susy if we could use your water to fill up some water balloons for the July 4th Kids Games. She not only said yes, but helped us do it and we could have been successful without her. She was got a kick out of the whole thing and was cheerfully laughing while we filled up those balloons. What a sweet lady she was. I really miss her. Lots of love, Cindy

“ Wade and family, I was in shock when I heard. I still find it hard to believe that this has happened. Susy was such a strong and outgoing person. It was always a treat to see you two. You were like salt and pepper, you don't see one without the other and they go together so well. She was so involved with the grand kids too. We're praying for peace and comfort in these painful times. I still have that picture of us at "Rolling Thunder". Love and prayers, Kevin and Needie Foltz
