“*Phyllis, Judy and Frankie, You and your family are in our thoughts and prayers. With the recent passing of my Mom, I'm sure they will be gardening, sharing farming and church stories and finally meeting with their husbands and living in Heaven forever. May God Bless you good folks and your familys.*

“*Dear Phyllis, Judy, Frank, and families, I am so sorry about the loss of your mother. I really liked both of your parents and enjoyed having them at my house. We would laugh and sing Christmas carols. They were such a nice looking couple. I always think of your father when I have blueberry pie. I miss your mom working in her garden. But I am comforted knowing that your parents are together again. May God continue to bless each of you. Bea Lam Smoot*

“ Dear Phyllis, Judy, and Frankie, So sorry to hear of your mother's passing. Aunt Ruth had long life with the help of a loving, attentive family. I'll always remember family gatherings and the fun times at the house, the smell of Zotos perms, country tunes playing in the kitchen, and clothes falling out of the sky. May your fond memories ease the pain at this time of sadness. Our thoughts and prayers are with you. Linda and Harry
