“ I share your sorrow in the passing of your Mom. I have so many fond memories of spending hours at your house watching Aunt Sally paint, re-cane a chair, garden, or a myriad of other things. There wasn't anything she couldn't do. I was in awe of her. And she never seemed to tire of me hanging around watching and asking questions. We had so many wonderful conversations that stay with me even today as an adult. I am sending you much love and hugs as you take this journey. Remember: She is not gone, she has just gone ahead. Love, Pat
