“ *Sandi and I started out as co-workers in Frederick County’s Commissioner of Revenue (COR) office. Over the years, that changed into a deep and caring friendship that was more like “family.”*

*As a COR staff member on the “front line” in the office, she was always extremely patient and calm, even while listening to sometimes irate County citizens in order to resolve their issues. Sandi was the generous provider of candy for the COR staff and taxpayers. On days when she sensed that citizens were being particularly “challenging” with me, there would be a piece of candy waiting in my office from her because we all know that “chocolate fixes everything.”*

*We shared a mutual love of family, NASCAR, and “unique” earrings, and discussed all of these frequently at our Cracker Barrel meals. Sandi was always there for me during the 4 years that my late husband battled cancer. I am a better person for having had her in my life and will always carry the wonderful memories of our time together in my heart. Love you Lady, Lorraine*

“ Sandi, like her wonderful Mom and Dad, was a dear friend and neighbor to me for many years. Always a cheerful, kind heart, she was happy to help anyone she could, and always ready to chat with a smile. She would call me every year and sing Happy Birthday to me, even when I moved to Montana. She and Miss Boots will be sorely missed. It was an honor to know her.

*Deepest Sympathy to Family and Friends, With Love, Linda*

“ *So grateful to have known Sandi. She was so sweet and kind to me,  
my wife Alysha and our cat Bella. Thankful we got to spend some  
holidays with her and will treasure our memories. We lived just up  
the road from her and she offered to be our cat sitter when we were  
away. She took such great care of our cat Bella, it was like her own  
spa vacation. Sandi would give her treats, brushes and stay and  
play with her and keep her company. I will greatly miss her long,  
thoughtful, funny detailed texts of all her and Miss Bella did while  
she was looking after her. She was such a special lady. She will be  
greatly missed*
