“ *I am so saddened to hear of the passing of Sandra. I worked at Ashby Lee Elementary School in Quicksburg, Va. for many, many years with her. I passed her in the hallways there multiple times smiling with a "Good Morning, Susie!" She was so good with the children in the school. I recall her putting a pair of snow boots in the teacher's lounge one day. I have a very small foot. Her daughter Cheri had outgrown them. They are still with me and I wear them when the snow is deep outside my house, now that I am retired. Rest In Peace, Sandra and God bless all of you. My thoughts and prayers are with you. She was a great lady.*
