“ A great big bright spotlight went out from earth to shine with her beloved in another bright spot. She was my sister in soul and I understood her. She shone bigger than life and lived it to the hilt. She was my friend since forth grade and was adored by many...she is and will be missed.

“ Sherry was our neighbor for many years and we got to know her rather well. She loved animals, even feeding the groundhog and rabbits. Her property was immaculate and she took great pride in her personal appearance. When she moved to Florida, we lost a close friend.

“ Our deepest sympathy to the family in Sherry's passing. She was a childhood friend and continued to be. I remember my Dad use to call her Grandma, he really loved her. She and I laughed about that the last time we spoke. She will be greatly missed but we know she us no longer in pain and is in the arms of God and back with her parents. Thoughts are prayers are with Linda, Janie, her husband and families.
