“ Many years ago, Shelby was my good friend. We both went to the old Woodstock High School. As the years flew by, we never did see each other again. I guess it has been at least 40 years since we have seen each other, and probably more. I moved away to the DC area and lost contact with lots of my Woodstock and Valley friends. My sister-in-law called and told me of Shelby's passing. I am so sorry to hear the news, and I want to extend my thoughts and prayers to her family. She was a wonderful, kind, and very cheerful person. I am sure she will be missed by all who love her.
