“ *Stephine and I go back to grade school at Edinburg elementary! We rode the school bus together! She was a great friend! We reconnected on Facebook where she told me she had been going to dialysis! She kept her spirit up and I am so glad that we got the chance to talk about old times! Steph you are gonna be greatly missed! May you rest in peace! Till we meet again!*

“ I got to know Stephanie through my job as an aide. She loved her pets as much if not more than people at times. She never met a stranger. She spoke her mind about things she was passionate about. She made me an honorary member of her family. Stephanie you may be gone physically but your memory will live on for all time.
