Steve was born October 30, 1962, and at the age of 59 was too young to be taken from us. Steve was a loving husband, father,son, brother and friend. We will miss him greatly. We who love him know he is at the Extreme Deer Camp in heaven searching for that big one that got away! Steve will be missed by all who knew him especially for his outrageous hunting stories and scaring Dwayne videos!! Steve is survived by his wife, Geri Brown, his two daughters: Tabitha Jung and Felicity Brown, his mother Gail Snapp and his brother Rick Brown. Steve was pre-deceased by his father Richard Brown and his sister Donna Brown. A celebration of life, as this was Steve's wish, is being planned for a later date to be determined. “ We are so saddened to hear of Steve's passing. Steve was such a kind and likeable person. As a classmate he wasn't one to mince a lot of words but he didn't waste his time on things that weren't important to him. We will certainly miss his lovely smile and kind disposition. Please know your family is in our thoughts and prayers! The Class of 1981.

“ *Steve was a great person with a caring, giving soul who loved his family deeply. He always sported a smile or a trickster's grin. Heaven rejoices his arrival, but we will mourn the loss of a great person. My heartfelt sympathies to his family and friends. He's already watching over you all. May that fact, along with your many memories of him, bring peace to you.*
