“ I will always remember Susie, from high school and from our high school reunion when she was so happy to attend. Her struggles are over now and she is in the arms of God. I'm sure her son was there to meet her on the other side.

“ I went to school with Susie, Strasburg High School, Class of 1973. Susie, as we called her, was always kind and compassionate. She was so excited when she was able to attend our 40th reunion. She is pain free now and reunited with her son. Godspeed sweet Susie
