“ Prayers to the Whetzel family, especially Billy, Julie, and Jimmy. Loosing a parent is hard, especially when you come to rely on them to pick up the phone or visiting for a chat. I have many fond memories of Naomi & Irv during my childhood. Naomi was the nicest person and always welcomed us into her home. I'm glad she got to enjoy grandchildren and great grandchildren, what a blessing that must have been. And she was still using social media like a pro, that was amazing! Heaven has gained another Angel, watch for the cardinals. With love, Diane (Shelton) Patterson

“ My heartfelt sympathy to Noni's family in the loss of such a precious woman. She touched my life in so many ways growing up and I'll always remember the unconditional love she showed me. I have so many pictures that she took of my milestones and I'm forever grateful to her for that.. She and my mom Helen were dear friends and they shared cruises and adventures together through the years. Julie, Billy and Jimmy, may you each find comfort in knowing that others care and share in your sorrow. Fly high Noni, you will always hold a special place in my heart. Fonda
