“ *Mousey and the Goss family - so sorry for your loss. Never expected Terry to leave us so early in life. She was always to full of life and forever happy. I will miss her smiles and silly wit and all those fun sunny days on the river. Love you girl - till we meet again.*

“ I hadn't seen Teri in a lot of years but we spoke online at times recently. Teri was always smiling and happy and always fun to be around. And being close friends with her brother Ricky and sister Mousey, it felt like we were family back then. We lost touch for many years but when we reconnected on social media I could tell she was the same ray of sunshine she had always been before. She will be missed by many and my condolences goes out to each and every family member and friend.
