“ I was so blessed to have known this beautiful person. We grew up in the same area 10 years apart and even went to the same Highschool. She shared with me a lot of her medical battles she had been through. Teresa was a warrior. She said what she meant and meant what she said and if you had a friend in her, you had a true friend. I enjoyed the times of scary movies and bingo with her so much. She will truly be missed. My hugs and prayers go out to her family.
