“ I remember when this little guy was born... he was about 2 and we were sitting on the couch munching and watching TV.... well, I held up a Dorito, he said "triangle " lol. Well I was convinced he was a genius. and I ran around the house and told everyone that he was a genius lol. You know that may have been true. He was a very very intelligent person. I love you Terry. Rest in peace little buddy. Love from Uncle Bobby.

“ We met Terry when he moved to Wakeman's Grove. He was a good neighbor. He kept to himself but always had an eye out for other neighbors. We had pleasant talks when he would be out with his little dog Fatty. He was very knowledgeable of vehicles too. I told him of an issue I was having with my pickup and he said, oh, it's this... and that was exactly what the problem was. We talked of our faith in God also. He will be missed as neighbor, friend and at VFW Post 2447. 'Til we meet again...

“ My brother Terry, we were apart for many years but I will always have my memories of us as kids. You were funny, loving and will always be special in our hearts. I know you are in a better place; free of pain and suffering and watching us from above. Rest in peace and I will see you again. I will always love you.~Sherrie
