“ *Janie, Richard, Althea, Gwen and all, We just learned of Skipper's passing this morning! We will always have such fond memories of all of your family (Theodore, Jim, and Skipper) as well as those of you that are still here. We want you to know that the entire Bly family has always considered all of you as a special part of our family. BB and Jim were truly closer than most brothers. Skipper was not only a good friend that we knew we could count on but he was an inspiration. He was a gentle, kind man and will be missed. His truck parked at the edge of the woods on the farm, while he hunted, was always a welcome site to all of us. With love and sadness, "Miss" Kathryn, Barbara, Darlene and families*

“ We just learned of Skip's passing this morning. We are so sorry and pray for the family as Nancy knew Mary very well thru the church and their paths crossed many times in Woodstock on their shopping expeditions. As a Magistrate I knew Skip thru his work at the Sheriff's Dept. He was a very kind and gentle man. I sometimes sought out his advise at work and he always was so respectful with the proper answer. Shenandoah County will be a lesser place with out his presence.
