“ Please accept my condolences on the passing of your beloved mother, known to me as my godmother, Aunt Theresa. My father was her brother Jenaro and I am his 2nd of 4 daughters: Denise, Teresa, Lucy & Maria, along with brothers Michael and Ralphie. Among the many photos in my collection, I thought you'd like to have this picture of your beautiful mother at a party in South Ozone Park, Queens with her parents Jenaro & Teresa Correa on her left. Much love, Teresa Aviles Holland
