“ Roger and I want to send our payers to all of Tommy Polk's family. Roger always talked of such wonderful times growing up running around with Tommy and his brothers and Rogers brothers and all the fun they had together and how close they were as cousins. So like Roger , I hope that all of you can always hold to the special memories and good times to get you all thru this trying time. love, Belle and Roger (Polk\_

“ Prayers are with the family. We had a visit with Tommy and the family a couple weeks ago and we could feel the love and compassion from everyone. We know that he is resting now in the presence of our Lord and Savior Jesus Christ. He was a strong minded man with alot of courage, and I am sure he will be greatly missed by all who knew him. We love you all and know that we are here for you anytime. God Bless and keep you through this sad time.
