“ Jo Ann and family - I am so sorry for your loss. No words can ease the pain you are feeling at this time. I did not know him personally, but had the extreme pleasure of working with his wife. She is one of sweetest, most kind-hearted, and hard-working people that I know. No doubt her husband possessed many of the same traits. Jo Ann - please let me know if there is anything I can do for you and your family. God bless.
