“ *Tim helped me and my wife when we bought our house in June 2017. He was one of the nicest, most gracious and responsive people with whom I've ever dealt. I considered him not just a mortgage banker but a friend and counselor. I'm so sorry I didn't learn of his passing until now (May 25, 2018) . My condolences go out to all of his family and friends. Losing Tim makes the world feel smaller somehow. Dan Reifsnyder*

“ I always think of Tim every year when we plan our special events for the Free Clinic. We had many funny times as we tried to raise money and he was so faithful about trying to help us with this. I have been missing him lately and surely will miss him a bunch now. I treasure many good memories with him and hope all his family and friend will also.

I am so sorry to hear of Tim's passing. He was such a sweet guy. i always loved seeing him and Donna at my Christmas party. We shared a love of Frank Sinatra music, and he took a lot of ribbing for that
