“ Vonnie impressed me with how much she wanted to help her employees and the community. During the Great Recession she called my nonprofit agency wanting copies of our brochure about local resources for those who were struggling. She wanted to give copies to her employees to assure that they could find needed services. When we expanded services into Mt. Jackson, she wanted regular updates. I called her several times each year to fill her in and check on her health. Despite her own challenges, she was always so upbeat and interested in the wellbeing of the community. I treasured those talks and missed her in recent months when I couldn't reach her. My condolences go out to the family and the community for which she cared so deeply.

“ Vonnie was a generous and kind woman. My wife and I were made aware of how much she did behind the scene to assist Bruce Dellinger's family when he was injured over 40 years ago. She took a continued interest in Bruce, his progress and his life over those 40 years. She was friend indeed, and we will miss her dearly. Bruce and Jackie Dellinger

“ I treasured my friendship with Vonnie. Although we moved to Indiana 4 years ago Sandy and I visited her a couple of times a year. It was hard seeing her health fail. I will miss my friend and calling her every couple of weeks to share laughs and memories together. Rest in peace dear friend.

“ Danielle and Fansler family, I'm so sorry to hear about Vonnie's passing. I worked for her at Blue Ridge Truss & Supply years ago. She was a very smart lady and always had a smile on her face. I enjoyed working for her as well. Please accept my sincere condolences during this difficult time. I will be thinking of and praying for each of you in the days and weeks to come. Please know that she is in Heaven with Our Lord And Savior Jesus as well as with Willard and Charlie and is no longer in any pain.
