“ I firmly believe that Heaven shines more brightly since she arrived. She was such a loving, intelligent and gentle, yet, strong woman who was adored by everyone that met her. I was very blessed to have met her about 50 years ago as her daughter, Kelley, and I became schoolmates and lifelong friends. Wanda was incredibly gifted when it came to board games and cards...a skill that she passed down to Kelley. I offer my deepest sympathy to all of her family and friends. Those of us blessed enough to have her in our lives are very sad, yet we know that she is in Heaven. Probably happily doing a Word Find or playing cards with a group of unsuspecting angels who are about to be schooled with her brilliance. I am missing you, Wanda, but I know you are having a glorious homecoming in Heaven.
