“ Weldon was such a wonderful person. We are so sad that we lost this one person who welcomed us to Virginia 16 years ago. If wasn't for Weldon when we took over the Liberty Truck Stop we would of been hurting. He was not an employee to us he was family. He didn't need to work but enjoyed keeping us straight and talking to truck drivers whom he became friends with throughout his 20 years here. He will be missed by hundreds but most of all by my family he became one of us. Weldon, I know because you told me last week you missed your wife you left us for her may God bring you together ❤️ again in his heavenly kingdom but buddy you shore will be missed on this earth by hundreds of your friends and family. My God Bless you and all your departed. You where the best my friend. Rick and Nuna

“ To the Miller and Rau families we extend our sincerest sympathy. We have known Weldon & Regena for most of our lives. Ken went to church with both of them when they all were younger. I worked for Weldon in the retail accounting office at Aileen for over six years. Also extending sympathy is Fern Ryman a church family member. You are in our thoughts and prayers. “ We had the privilege of living next door to these incredibly wonderful, loving, caring people. While incredibly sad news, it does not surprise me that God took them so close together, as they seemed inseparable and such a beautiful couple. Thank you, God, for reuniting this couple that I regarded and respected so highly. May their reunion be as wonderful and loving as I imagine and glorious as they deserve. God bless them and may God bring comfort to their family and friends. Try to be not sad, as Weldon’s reunion with his beloved Regena will be filled with love and happiness. May God bless you all.
