“ *Dear Wes, I can't believe it's been a year since you've left us. The news of your loss has been a particularly difficult one for me, and I can't fathom the loss it has been to your family during this time. I've been left with many memories, but not a proper goodbye. I will visit your grave tomorrow, but please know I've been thinking much about you lately, and how you've left us too soon. You spoke highly of your niece and nephews, and I can only wonder how much they miss you. You had a generous and loving heart and a warm character, and it's something I surely miss. I promise never to forget you, and my thoughts and prayers continue to go out to your family on this anniversary.*

“ Hi, my name is Sonja Beiler. I worked with Wes at several of our universities in Washington DC. He was my Cap and Gown buddie. I can't tell you how sad I was to here this news. He was a very nice young man and I really enjoyed working with him. He was a kind and caring person and I will really miss him. My heart goes out to his mother. I live in Millwood and he told me she lived off Howellsville Road. My daughter lives on Manor Road near Jim's store. We had that connection since I lived near by. My prayers and thoughts are with you and all his family during this difficult time.
