“ Kathy, Nick and Kathryn and all family members of Bill. Sincere condolences in the passing of your loved one. Worked for you back in 1985 -86 (I believe) to 1995-early 1996. He did always have a smile and a happy, boisterous laugh. Know that he is in a better place and keep those wonderful memories he made with each and everyone of you close to your hearts. Know he may be gone, but he will never be forgotten. His spirit will always be with you and watching from above.
