“ I have known Binky since we were five years old at the Salvation Army. It was on Johnson Street down from his home then. We went to Waterman Elementary School and Harrisonburg High School together. I was drafted in 1966 and have been gone from Harrisonburg for 58 years. I come home at least once a year and ran into Binky several times over the years. I have fond memories of when we were kids especially doing things at the Salvation Army. My deepest sympathy and prayers for comfort go up to our Father in heaven for the entire family and friends.
