“ *My cousin William was a special guy. Distance was always the big negative but when we were together we always picked up right where we left off. I remember as a teenager visiting from Florida, William took me out and we drank until the sun came up. On the way home we stopped and had a six course meal. He looked at me and said, “this is what family is all about”. I only wish we had more times like that together. Love you William-Cousin Sammy*

“ *I remember during our summer visits whenever Billy was there, Krystal would always go running up to him, hug him and call him her Billy. ❤️ He'd always have the biggest smile on his face.*
