“ I will always remember B.G., his quick smile and calm demeanor. We spent a bunch of hours at Bryce and I was always glad to see B.G. show up to work with. There are no words to express my feeling of loss. Our deepest sympathy to you and the family and I know he will be missed. I also know he had a good family and they will take good care of each other through all of this. B.G. was one of the best....known him since the Vepco days of work, was a privilege and a pleasure to have the opportunity to know and work with him...he was a good man. Sympathies, Bill and Joan Layman

“ My deepest sympathy in this time of loss. Bill was a good man and one I know will be dearly missed. Praying that God will ease your pain with the hope of the future and eternal life with Him. We bought our first shotguns and fishing rods together at Jamesway years ago and enjoyed many hours using them both together. Always a true pleasure to encounter or do things together.

“ It's been a great pleasure to have been a close friend of Billy since elementary school. He was one of the most easy going and pleasant guys one could hope to know. Our childhood homes were within about a half mile apart, and I'll always cherish all the things we were able to enjoy together - hunting rabbits, fishing, riding bikes before we could drive, driving everywhere once we could, and generally enjoying everything imaginable with other friends. My sincere sympathy and condolences to Linda and all the family.
