“ Dear Linda, Maureen, Mark and Reesa... Your Dad, a fellow Civil Engineer, will always be remembered as a true southern gentleman. Faith, Family, and Friends along with his Civil and Structural engineering talents are the parts of his legacy that his peers will always remember. I thank our Lord for giving my family the honor and privilege of sharing many visits and travel experiences with Buddy and his late wife Bea. To all the Wilsons, my heartfelt condolences and prayers for Buddy's perpetual peace and happiness in Heaven.

“ To the Wilson Family: I am a neighbor of yours who read about the loss in your family in the obituary today and I am truly sorry, I would like to share a scripture found in Gods Word the bible to bring your household much needed peace, found at 2 Corinthains 1:3,4 which reads: Blessed be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those in any sort of tribulation through the comfort with which we ourselves are being comforted by God. I pray this scripture brings much needed peace, my sincere condolences.
