“*Mrs. Heishman is one of the sweetest ladies I have ever met. She was like a second Mom to me as a kid, who spent a lot of time in the Heishman household. She always made me feel welcomed and loved. Heaven brought home one of their angels. Thanks for all the wonderful childhood memories. Love you XO*

“*I want to express my sympathy to Spencer and the family. I first met Jean when she was about 13 years old. I have a lot of memories of her and always knew her to be a very nice, polite and decent person who will be missed very much.*
